High School Chemistry: Burning gummy bears

Wow! What a bumper snow season we have had! The Snow King has blessed Mount Shasta with a 14' base at the Ski Park, and we have certainly taken full advantage of it. We have several new first time skiers and snowboarders this year, and all are now ski lift worthy—including our youngest students Bodhi (5), Zyan (8), and Thomas (9)—a wonderful achievement.

This winter has also been busy ice skating; children, parents and friends have been getting a lot of exercise!

This year our

High School science is Chemistry, and we have been busy studying elements, tables, moles and more! We also got the chance to test out our excellent fire system, with a gummy bear experiment that set all the fire alarms off! The subsequent phone call to the fire alarm company had them all in fits of laughter as they heard the reason for the alarm; as did the fire department. They had never heard that

one before! Our younger students had a wonderful visit to the ScienceWorks Museum in Ashland, filled with much exploration, fun and laughter. They have been studying Earth Science this year, and have enjoyed studying the four elements and their activities on our planet!

Tucson, Arizona Thanksgiving Class 2018

We are so grateful to our hosts in Tucson, Arizona for the most amazing experience of Thanksgiving Class 2018. We were blessed to visit Kartchner Caverns, Biosphere 2, Mt Lemmon Observatory, Emery-Riddle University, and San Xavier Mission. We were also blessed with wonderful accommodations, powerful Classes, bell performances, our movie premiere, and sumptuous banquets!

2019 Ring & Cape Ceremony

This year's Ring & Cape Ceremony for our Beloved Seniors, German Cavazos and Emmanuel Saryon, was indeed a very special service. You could feel the reverence for Beloved Saint Germain in this very personal dedication ceremony to Him. His Blessing of His Sacred Gifts of an Amethyst Ring and School Cape when presented to German and Emmanuel was a very touching moment. Our Beloved President, Steve Hillman, and our Beloved Administrator, Shelley Blomberg, conducted the Sacred Ceremony at the "I AM" Temple of Mount Shasta on the Saturday evening of Washington's Weekend. Congratulations German and Emmanuel!

Washington's Weekend

Our play this year was called "The Constitution is Born" and was a re-enactment of the healthy and heated debate of forming the Constitution of the United States of America. Washington was played by Emmanuel Saryon, and Benjamin Franklin by Alexis Kihm, with everyone having very animated speaking parts! It was a fun and energetic production, followed with our Patriotic Choir song, and our Virginia Reel dance this year. Smiles and giggles were had by all, as we convinced everyone to join in the festivities!
